A new stage in the evolution of relationships with your customers on Viber

Communicate with your customers in the messenger that's most convenient for them, used by more than 20 million people in Ukraine.

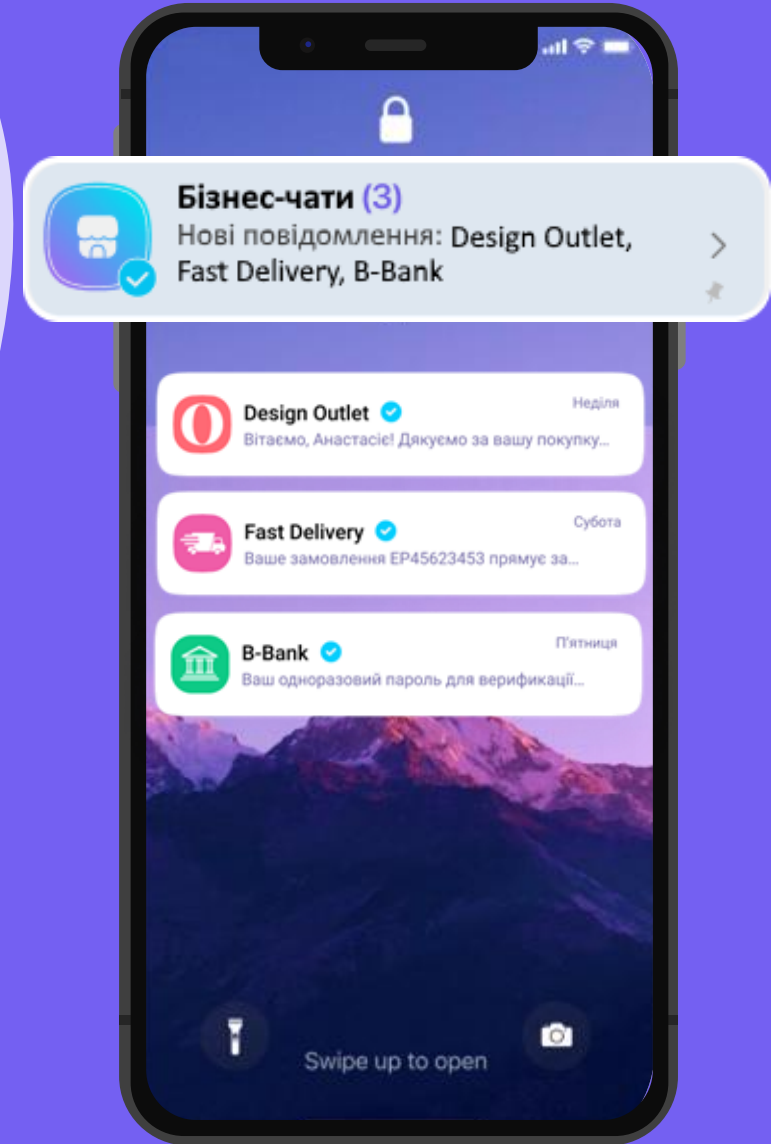

Send discounts, greetings, promotional offers, and service messages through your **official Viber Business Account** — a modern and reliable solution that is more cost-effective and efficient than traditional SMS.

Create your own Viber Business Account

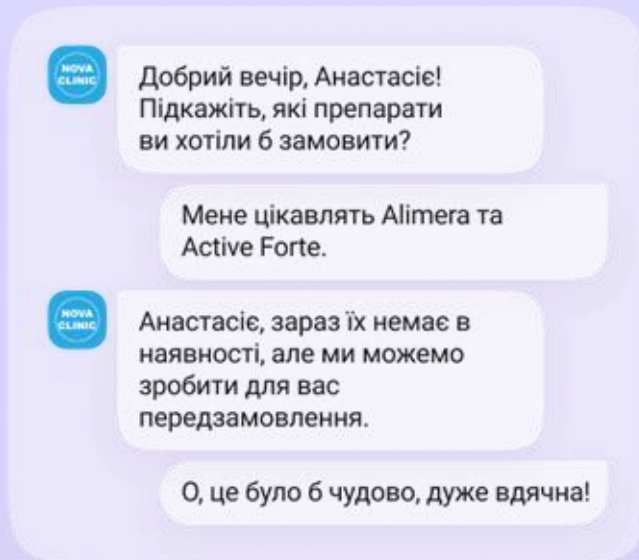

Our company is an **official Viber partner** in Ukraine and provides Viber Business Account (Viber sender) registration services for businesses across various industries, including financial institutions and licensed gaming services.

The Viber sender has a **verification badge** and a detailed company profile with contact information. This builds customer trust and helps ensure that your messages are not flagged as spam.

Communicate with your customers and send **different types of Viber messages**

NOVA CLINIC

Добрий вечір, Анастасіє!
Підкажіть, які препарати ви хотіли б замовити?

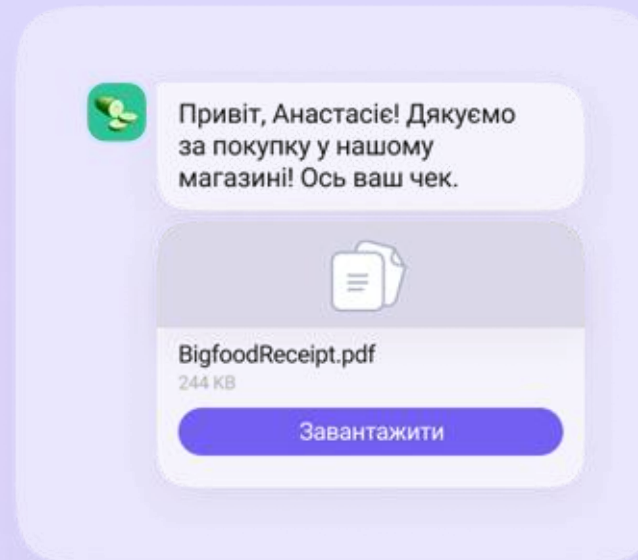

Мене цікавлять Alimera та Active Forte.

NOVA CLINIC

Анастасіє, зараз їх немає в наявності, але ми можемо зробити для вас передзамовлення.

О, це було б чудово, дуже вдячна!

Flexible pricing and transparent billing

Pay only for delivered messages

The monthly minimum fee for using a Viber sender is **UAH 10,206** (€200 at the NBU exchange rate at the time of payment). This amount can be used for sending messages and chat sessions during the paid month.

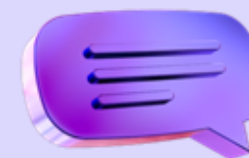

Transactional
message

*from **0.76** UAH
0.0149 €

Promotional
message

* from **1.65** UAH
0.0324 €

Viber chat
session

* from **1.14** UAH
0.0224 €

* For Viber, pricing is calculated in euros. The price in UAH is provided as an example based on the NBU exchange rate as of July 1, 2026. When creating a campaign, the amount is deducted from your UAH balance at the current NBU exchange rate.

How to connect the service?

- 1 Register on the website <https://turbosms.ua/en/>
- 2 Sign an agreement with TurboSMS. This usually takes 1–2 days.
- 3 Provide your company logo and information by completing the form in your personal account.
- 4 Top up your account with at least UAH 10,300 to pay for the service package for the second calendar month.
The first calendar month is usually incomplete, so it is considered a trial period.

Once you have completed the steps above, we will register your Viber Business Account and activate the sender for your business within 1–5 business days.

Thank you for your attention!

We look forward to a successful partnership.
